

How to set up whistle blowing system in companies 2/28/22

Effective from 4 February 2022, the Whistle Blowing Act introduces new requirements compared to the earlier enactment with the same title, and takes over the provisions of Directive EU 2019/1937. This article explores what a whistle-blowing system (WBS) really means in the light of the new Act and what options companies have for setting up such a system efficiently.
