

What should cookie notice on company website look like? 1/5/24

No website can function without cookies because they not only make your website functional but also help your company analyse what the visitors to the website are interested in. The National Data Office put together guidelines on cookies in 2022, but creating adequate cookie notices is still a big problem. This article will talk you through steps in creating a pop-up cookie notice on your website that complies with the General Data Protection Regulation.
