Common errors in corporate income tax treatment 1/29/24

Director, Tax, and Head of Pan-Baltic People and Organisation Practice, PwC Latvia

Senior Consultant, Tax, PwC Latvia Tatjana Klimovica

Irena Arbidane

What are the most common errors in corporate income tax (CIT) treatment? And what controls can be used to avoid them?

Episode 43 of PwC's Tax Podcast features PwC tax director Irena Arbidane and senior consultant Tatjana Klimovica discussing the impact of common CIT errors on companies and exploring tax risks associated with management and consulting services.
