

European Commission again objects to Latvia's request for reverse charge VAT (2/4/18)

In last week's edition of Flash News we informed our MindLink.lv subscribers that on 12 January 2018 the European Commission refused Latvia's request for reverse-charge VAT on domestic supplies of consumer electronics and household electrical appliances. A week or so later the Commission again objected to Latvia's request for reverse-charge VAT, this time on domestic supplies of construction products. Let us take a closer look.
