

Filing capital gains tax return for second quarter income (3/25/20)

In an earlier article, we wrote that the Electronic Declaration System offers a convenient wizard for calculating capital gains and we explained how it works. As the deadline for filing the capital gains tax return for the second quarter of 2020 is approaching, this is a reminder that individuals whose income from capital gains in the second quarter exceeds EUR 1,000 have to file their tax return by 15 July.
