

# Changes to national reorganisation procedures effective 1 June 3/31/23

Businesses often undergo changes during their lifetime as the national economy and legislation also keep evolving. Latvian reorganisation procedures had remained essentially unchanged for quite a while. Effective from 1 June 2023, the Commerce Act has been amended to change the procedures for conducting national and cross-border reorganisations of commercial entities. These amendments are quite extensive, so this article explores just a few aspects of changes to the national reorganisation procedures.
