

# Common errors in corporate income tax treatment 1/29/24

Tax Director and Pan-Baltic People &  
Organisation Leader, PwC Latvia  
Irena Arbidane

Senior Associate, Tax, PwC Latvia  
Tatjana Klimovica

What are the most common errors in corporate income tax (CIT) treatment? And what controls can be used to avoid them?

Episode 43 of PwC's Tax Podcast features PwC tax director Irena Arbidane and senior consultant Tatjana Klimovica discussing the impact of common CIT errors on companies and exploring tax risks associated with management and consulting services.
